BUSINESS OVERVIEW

HIGHLIGHTS

This is a rare opportunity to acquire a dynamic, multi-revenue entertainment destination in the growing, experience-driven greater Wisconsin Dells market—without the premium price point typically associated with tourist-heavy attractions.

Positioned as an affordable, repeat-visit alternative, the business attracts both locals and visitors seeking quality entertainment at an accessible price. Strong visibility, ample parking, and proximity to Castle Rock and Petenwell Lake traffic further support its continued growth and consistent customer draw.

The site features four separate buildings, creating a flexible and scalable layout for multiple income streams:

- **Mini Golf** - Entering its first full operating season and has transformed the property into a destination—increasing traffic, dwell time, and cross-selling opportunities. Seasonal programming, such as Winter Glow Mini Golf, extends revenue potential beyond the peak season and supports a more consistent, year-round operation compared to many competing attractions in the area.
- **Ice Cream** - One building is slated for transformation into a new ice cream shop, with renderings available for interior and exterior designs. While the structure requires updating, it represents immediate upside for a new owner when renovations are complete to improve drive by appeal, increase per-capita spending, and become the local family destination.
